

## PROFESSIONAL PROFILE

# NIGEL DUPONT

## DIRECTOR OF PHOTOGRAPHY

For work enquiries please contact my diary management service on +44 (0)20 8426 2200

I have worked in the television industry for over 20 years and have vast experience in shooting all over the world. I have experienced high altitude and freezing temperatures to deserts and jungles. I enjoy shooting in extreme environments and thoroughly enjoy a challenge although I am equally comfortable in the corporate world. I have a current BOSIET license enabling me to work on oil and gas platforms on land and at sea. I own my own camera equipment Sony FS7 Camera and have extensive experience in all formats used in the television industry. I have a current American I visa and O2 visa enabling me to work in the USA.
